

# The American Rescue Plan Act (ARP) of 2021 COVID-19 Financial Assistance Programs

## List of COVID-19 Federal financial assistance programs

The following is a list of COVID-19 Federal financial assistance programs funded via Pub. L. 117 – 02, also known as the American Rescue Plan Act (ARP). The ARP is a \$1.9 trillion economic stimulus passed to speed up the United States' recovery from the economic and health effects of the COVID-19 pandemic and the ongoing recession.

The Federal financial assistance programs listed below are, or will be published through the Assistance Listings in [www.sam.gov](http://www.sam.gov). This list is current as of the time of publication. Due to the ongoing nature of implementation of these programs, additional assistance listings may be identified over time, and this list may be updated. The list is intended as a general guide, rather than a definitive list. An asterisk (\*) by the Assistance Listing number denotes a new Assistance Listing. A plus sign (+) by the Assistance Listing number denotes programs funded via the Department of Education, the Department of Transportation, and the Department of Health and Human Services that are administered by the Department of the Interior per Indian Self-Determination Act authorities.

**NOTE:** Please note this document has been revised. The asterisk was removed for Department of Education Assistance Listing programs, 84.027X and 84.173X. They are not new Assistance Listing programs but existing programs that received supplemental ARP funding. Also, the Department of Agriculture Assistance Listings program, 10.181, is not funded via ARP. It was funded via the Consolidated Appropriations Act of 2021, therefore it has been removed for the list below. The Environmental Protection Agency made updates to the information that initially appeared on this document. Assistance Listing number, 66.039 was initially reported as 66.040, and 66.203 was not included. FCC provided an Assistance Listing number that was not available at the time of the data call.
