**Purpose**

**Cost Principles**

Cost Principles are used for determining the allowable costs incurred by non-Federal entities under Federal awards.

The principles are for the purpose of cost determination and are not intended to identify the circumstances or dictate the extent of Federal Government participation in the financing of a particular program or project.

**Audit Requirements**

The Single Audit requirements sets forth standards for obtaining consistency and uniformity among Federal agencies for the audit of non-Federal entities expending Federal awards.
Applicability

The requirements established in 2 CFR 200.101 apply to Federal agencies that make Federal awards to non-Federal entities. These requirements are applicable to all costs related to Federal awards.

Subawards and Subrecipients

The terms and conditions of Federal awards flow down to subrecipients unless a particular section of this part or the terms and conditions of the Federal award specifically indicate otherwise. This means that the non-Federal entities must comply with requirements regardless of whether it is a recipient or subrecipient of a Federal award.
Applicability

Pass-Through Entities

Pass-through entities must comply with the requirements of the Uniform Guidance, unless the terms and conditions of the Federal award indicate otherwise.

200.101
Other Important Provisions

In this next section we will cover other important provisions:

- Exceptions
- English
- Conflict of Interest
- Mandatory Disclosures
Exceptions

Only OMB may allow exceptions for classes of Federal awards or non-Federal entities. In the interest of maximum uniformity, OMB permits exceptions only in unusual circumstances.

The Federal awarding agency may apply more restrictive requirements to a class of Federal awards or non-Federal entities when approved by OMB, or required by Federal statutes or regulations.

Exceptions on a case-by-case basis may be authorized by the Federal awarding agency.

There are no exceptions from the audit requirements.

200.102
English Language

All Federal financial assistance announcements, applications and award information must be in the English language.

Non-Federal entities may translate the Federal award and other documents into another language.

Applications in another currency will be converted to United States currency using the date specified for receipt of the application.

Where a significant portion of the non-Federal entity's employees who are working on the Federal award are not fluent in English, the non-Federal entity must provide the Federal award in English and the language(s) with which employees are more familiar.
Effective/Applicability Date

The Uniform Guidance was made effective on December 26, 2014.

For the procurement standards in non-Federal entities may continue to comply with the procurement standards in previous OMB guidance (superseded by this part as described in 200.104) for two additional fiscal years after this part goes into effect.
Conflict of Interest and Disclosure

Conflict of Interest

The non-Federal entity must disclose in writing any potential conflict of interest to the Federal awarding agency or pass-through entity in accordance with applicable Federal awarding agency policy.

Mandatory Disclosures

The non-Federal entity or applicant must disclose, in writing to the Federal awarding agency or pass-through entity all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award.
