Recovery Method	Brief Description of Plans to Recover Overpayments	Brief Description of Actions Taken to Recover Overpayments
1 Recovery Activity	ED will continue to collect monies from vendors against the accounts receivable established and, if/as necessary, pursue collection.	ED has established an integrated system of complementary oversight functions to help detect and recover improper payments and ensure compliance by all participating parties. When an improper payment is detected and deemed collectable, FSA establishes an a
2 Recovery Activity	ED will continue to collect monies from schools against the accounts receivable established for assessed liabilities resulting from program reviews and, if/as necessary, pursue collection.	As part of its oversight activities, FSA performs program reviews of selected schools to confirm FSA requirements for institutional eligibility, financial responsibility, and administrative capability were met. For errors identified in performance, FSA as
3 Recovery Activity	ED will continue to collect monies from schools against the accounts receivable established for assessed liabilities resulting from compliance audits and, if/as necessary, pursue collection.	FSA also reviews the annual Single Audit Act compliance audits of schools performed by independent auditors to evaluate schools administration of FSA programs. For deficiencies identified by the auditors, schools are required to develop corrective acti

Accomplishments in Reducing Monetary Loss			Date
1	FSA made substantive revisions to Volume 1 and the Application and Verification Guide of the 2021-2022 Federal Student Aid Handbook, including changes to 2021-2022 Verification Requirements.		Jul-21
2	FSA published in the Federal Register final regulations on innovation issues, including changes to the return of Title IV Funds (R2T4) Requirements effective July 01, 2021 unless early implemented by institutions.		Aug-21
3	ED has designated Treasury under section 483(a)(3)(E) of the HEA, as an entity that may use FAFSA data. FAFSA data may only be used for the application, award, and administration of HEA, Title IV aid, State aid, or other aid awarded by institutions.		Sep-21

Amt(\$)	Root Cause of Monetary Loss	Root Cause Description	Mitigation Strategy	Brief Description of Mitigation Strategy and Anticipated Impact
\$231M	Failure to verify: financial data	Specific root causes include, but are not limited to, ineligibility for a Pell Grant and incorrect self-reporting of an applicant's information that leads to incorrect awards based on Expected Family Contribution.	Automation; Change Process; Cross Enterprise Sharing	In aggregate, Federal Student Aid assumes that improved accuracy of income verification will reduce improper payments.
\$98M	Administrative or process errors made by: others (participating lender, health care provider, or other organization administering Federal dollars)	Incorrect processing of student data by institutions; student account data changes not applied/processed correctly; satisfactory academic progress not achieved; incorrectly calculated return of student aid funds; and processing errors by servicers.	Training	In aggregate, Federal Student Aid assumes that reduction in school and other third party administrative errors will reduce improper payments.

Monetary Loss - Monetary loss to the Government includes amounts that should not have been paid and in theory should/could be recovered.
